Bill Smith Electric has worked with The Green-Simmons Company, Inc. on numerous projects since 2003. Our contracts with them have ranged in size from \$10,000 to \$500,000. Their performance has consistently been rated well above average. From the initial estimating phases through contract close-out, Bill Smith Electric has always remained an integral part of the project team through its emphasis on professionalism, safety, project schedule and quality of work.

The Green-Simmons Company, Inc. actively seeks to partner with Bill Smith Electric on any project that is under consideration. We highly recommend their services to any owner, architect, engineer, general contractor or construction manager seeking a well rounded quality electrical contractor.

Specific project information will gladly be provided upon request. If we can provide such additional information or answer any questions, please do not hesitate to call.

Sincerely,
The Green-Simmons Company, Inc.
