RE: Bill Smith Electric
P.O. Box 1057
Gonzalez, FL 82560

It is my pleasure to write this letter of recommendation for Bill Smith Electric.

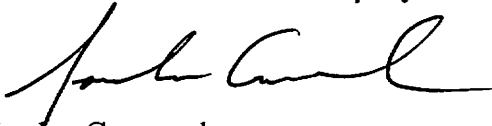

We currently have had the pleasure of working with Bill Smith Electric on a project in Lebanon, Tennessee. The efforts put forth by the Bill Smith team have been extraordinary; they have gone the extra mile several times in completing the tasks at hand. The team members we have show great competence, knowledge and dedication to providing the quality and timely completion of work. Their foresight into potential problems has helped make the project move smoothly without any delays in the project.

Due to the outstanding workmanship and dedication as a team player we have asked them to bid on other work in several states with us. They have been a rare find in the industry and we look forward to a long and lasting relationship.

If you have any questions or if I can be of further assistance please feel free to call me.

Sincerely,

Jacobsen Construction Company Inc.
